Popcorn Machine Cart

MPM8DCART

User Manual

Read carefully before use

The popcorn machine cart, compatible with popcorn machine MPM8D, is an accessory that allows for easy and convenient movement of your popcorn machine. The cart can be disassembled for packing and transport.

I. CART STRUCTURE

II. ASSEMBLY INSTRUCTIONS (See Assembly Diagram, P. 2)

- A. Turn the cart body over and insert the short legs into the body.
- B. Insert spoked wheel into the axle and fasten to the short legs.
- C. Insert the small wheels into long legs, then fasten to cart body.
- D. Attach cross bar to long legs.
- E. Turn the cart body upright, then connect the handle.
- F. Connect the platform last.

III. OPERATION

Place the popcorn machine on the cart. The cart can then be moved to the desired location. Once the cart is in position, press down on caster wheel brake with your foot to lock the cart in place and prevent movement. To move the cart again, release the brake.

IV. CLEANING AND MAINTENANCE

- 1. Clean the cart periodically with water and mild detergent.
- 2. If the cart does not move smoothly, apply a small amount of lubricant to the axles and moving components.
